

Act 1 Scene 8

Front cloth

[Abanazar returns to see Tik and Tok approach]

Tik:

Yaaas, give it up for the dark side.

Tok:

You've arrived and were trending harder than a dancing camel.

Abanazar:

Tik, Tok, you're late!

Tik:

We were updating your evil Instagram boss.

Tok:

And launching your You Tube channel - spells 'n bells, life tips from the dark lord.

Abanazar:

Listen, we'll soon be leaving for the cave of wonders and once the boy has given me the lamp I shall be the most powerful magician in all the world.

Tok:

Perhaps.

Abanazar:

What do you mean perhaps?

Tik:

What I think Tok means is that you're going to have to optimise your social media presence.

Tok:

Are you thinking what I'm thinking?

Tik:

A wife!

Abanazar:

Well if you two thinking I'm marrying that old bat Widow Twankey you're very much mistaken.

Tok:

Widow Twankey? Oh no, she would never do.

Tik:

You need to set you're sights higher, how about the Princess?

Abanazar:

Jasmine, oh yes, now you're talking.

Tik:

I know I am. And let's face it, the Princess is very, very significant. Ooh! It'll be like Think Molly-Mae meets Dumbledore.

Tok:

Once we give you a real life filter she won't be able to resist your charms.

Tik:

Or the big house with a pool and servants, and maybe a puppy. Followers love a puppy.

Abanazar:

Yes, she'll be like putty in my hands.

Tok:

What babes, all soft and sticky, I don't think so.

Tik:

Just one problem Tok.

Tok:

What's that Tik?

Tik:

Nobody really likes him.

Abanazar:

Isn't that the point?

Tok:

True, but we made need a reset if you are to win her over as the taste master.

Tik:

Client needs to be yassified.

Tok:

Oh Tik, this is what I was born for. Collab?

Tik:

Collab.

Abanazar:

Don't be ridiculous, everyone likes me, don't you boys and girls?

Tik:

Enough said. Let's face it, you're unpopular. Shall we?

[Song: Popular re worked as Unpopular. During the song they give him a terrible makeover]

Tik:

Perfect! We are geniuses, or is it Genie?

Abanazar:

Excellent, right I'd better prepare. Cave of wonders here I come.

Tok:

Later.

[Abanazar sweeps off]

Tik:

We'll soon have him trending.

Tok:

Yes, but for all of the wrong reasons.

[They exit in hysterics]
